memo from

ART KEVIN

Harold:

These are the UPI items that I read to you over the phone.

I have also sent copies to the two fellows whose names you gave me re: their "nut" file noting that you had urged I contact them.

Obviously you know of the Bradley decision. Frankly it was not unexpected from the poor show put on up at Sacramento in behalf of J.G.

I am trying to get a copy of that pix that Mrs. Oswald talks about and will send along a copy if I can secure it.

Best regards,
